

Have your say on the future of research to help people living with and beyond cancer

- **Are you a cancer patient first diagnosed as an adult?**
- **Do you look after, or have you looked after someone who was first diagnosed with cancer as an adult?**
- **Are you a health or social care professional or a volunteer working with adults affected by cancer?**

Complete and share the National Cancer Research Institute's second UK-wide survey:

www.research.net/r/CancerQs2

You do **not** need to have taken part in the previous survey. **Please share** the survey with your community, family, friends and colleagues and help us to improve the lives of people affected by cancer.

The survey will close on **12 April 2018**. You can find out more about the project at www.ncri.org.uk/jla

If you need to complete the survey on paper, or if you have any other requests, please contact us by emailing lwbc@ncri.org.uk, by telephoning 0203 469 6307 (9am to 5pm Monday to Friday or leave a message with your contact details), or by mailing LWBC, NCRI Executive, 407 St John Street, London EC1V 4AD.
